

A horizontal row of seven guitar chord diagrams. Each diagram shows a fretboard with six strings and four frets. The chords are:

- F**: The first diagram shows a standard F chord (root position) with a black bar on the 1st string at the 1st fret.
- G**: The second diagram shows a G chord (root position) with a black bar on the 1st string at the 2nd fret and a black circle on the 2nd string at the 3rd fret.
- Am**: The third diagram shows an Am chord (root position) with a black bar on the 1st string at the 1st fret.
- C**: The fourth diagram shows a C chord (root position) with a black bar on the 1st string at the 3rd fret.
- F6**: The fifth diagram shows an F6 chord (root position) with a black bar on the 1st string at the 1st fret.
- E7**: The sixth diagram shows an E7 chord (root position) with a black bar on the 1st string at the 1st fret and a black circle on the 2nd string at the 3rd fret.
- E**: The seventh diagram shows an E chord (root position) with a black bar on the 1st string at the 1st fret.
